

“The Women’s Center of Jacksonville (WCJ) would like to formally thank Sheriff Mike Williams for his ongoing support during his time as Jacksonville Sherriff.

It is important for our community that there are trauma-informed sexual assault services for survivors. We opened the J. Wayne and Delores Barr Weaver Sexual Assault Forensic Exam (S.A.F.E.) Center during Sheriff Williams’ time in office and he was instrumental in assisting the WCJ to acquire the necessary resources for security at the S.A.F.E. Center.

We look forward to continuing our work with the Jacksonville Sheriff’s Office (JSO) and his successor, including providing trauma-informed training to officers and detectives to continue supporting sexual assault survivors.”
