

The Women's Center of Jacksonville is an organization that stands for, and is committed to, the equitable treatment of all people.

We're a proud ally to all members of our community regardless of gender identity, sexual orientation, race, ethnicity, age, social or economic status, religion, intellectual difference or profession.

Our team is dedicated to providing advocacy, support and education to women and all survivors of sexual assault Duval, Nassau and Baker Counties.

We welcome everyone - when you need us the most. You're safe here.
